

A nighttime photograph of a modern hotel building. The building features a prominent, illuminated, angular facade with horizontal lines. In the foreground, there are several palm trees, some of which are decorated with white, conical light fixtures. The ground is dark, and there are several bright, starburst lights scattered across the scene. The sky is a deep blue, suggesting dusk or dawn. The overall atmosphere is sophisticated and contemporary.

### Situación

El Hotel Hiberus está situado en un enclave único, rodeado de naturaleza sin salir de la ciudad. Ubicado al lado del Palacio de Congresos de Aragón y cerca de la estación del Ave, está rodeado por el Parque Luis Buñuel y el río Ebro, junto con los edificios más emblemáticos de la Exposición del 2008. Su situación ofrece un amplio abanico de propuestas para realizar al aire libre, tanto dentro como fuera del hotel, ya que el Hiberus se caracteriza por sus amplios espacios llenos de luz. Está a tan solo 5 minutos de la estación del AVE, a 15 minutos del aeropuerto y de Feria de Zaragoza y a 15 minutos del centro histórico, comunicado por varias líneas urbanas de bus.

### Location

The Hotel Hiberus is located in a unique position, surrounded by nature, yet still in the city. Just next to the Aragon Conference Centre and close to the high speed railway station, it is surrounded by the Luis Buñuel Park and the Ebro River, along with the most emblematic buildings of the Expo 2008 exhibition. Its location provides a wide range of possibilities for outdoor activities, both within the grounds and outside the hotel, as the Hiberus is known for its open spaces which are full of light. It is just 5 minutes from the high speed railway station, 15 minutes from the airport and the Zaragoza Exhibition Centre and 15 minutes away from the old part of Zaragoza, connected by several bus routes.

**Arquitectura y diseño interior**

El edificio es de tendencia horizontal en donde predomina el color blanco y el cristal; en el interior destacan los espacios diáfanos y abundante presencia de luz natural.

El mobiliario es de estilo nórdico de los años 50, del diseñador Arne Jacobsen, un atemporal creador que combina fríos tonos pastel y llamativos tonos cálidos.

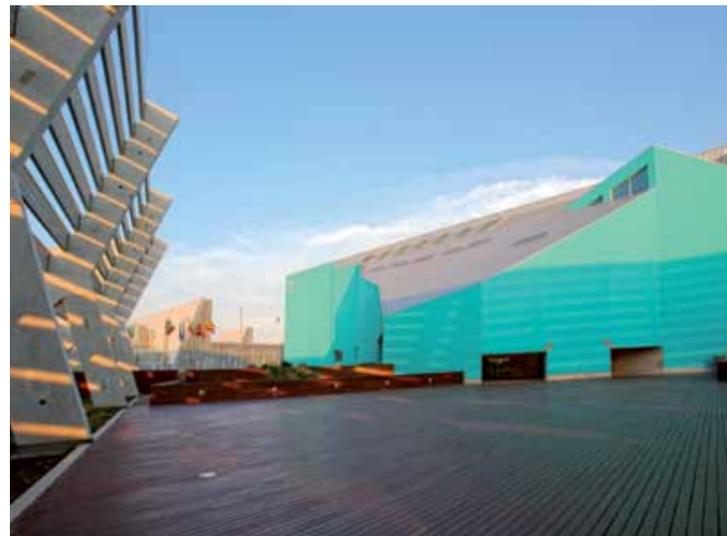

Toda la señalización ha sido diseñada por Jacobo Pérez Enciso.

**Architecture and interior design**

It is a horizontal, linear building, predominantly white and glass and the interior consists mainly of open spaces and an abundance of natural light.

The furniture is nineteen-fifties Nordic style, designed by Arne Jacobsen, a timeless creator who combines cold pastel shades with bright warmer colours.

All the signing was designed by Jacobo Pérez Enciso.

**Restauración**

**RESTAURANTE CELEBRIS**  
El Restaurante Celebris es un lugar minimalista y tranquilo, donde destacan la luz y el diseño y sobre todo una cocina que sabe combinar los productos de temporada con un toque de vanguardia. Su bodega, con más de 200 referencias, ofrece el acompañamiento perfecto a cada propuesta gastronómica. Dispone de un reservado y en época estival de terraza exterior.

**BAR EBRIOSUS**

Un espacio de encuentro en el hotel, donde poder tomar un café, disfrutar de un almuerzo informal o bien una copa por la noche, tanto dentro como en su terraza exterior con unas vistas únicas de la ciudad. Destaca por su colorido y su decoración.

**AFLUENTIS**

El salón Afluentis destaca por su luminosidad y por el gran mural que lo decora, obra del pintor aragonés, Pepe Cerdá. Su versatilidad le permite ser el salón de desayunos del hotel y convertirse en un restaurante por la noche o en un espacio de cocktail.

**Catering**

**RESTAURANTE CELEBRIS**  
The Restaurante Celebris is a quiet, minimalist place, where light and design are foremost and whose cuisine combines seasonal products with an avant-garde touch. Its wine cellar, with over 200 references, provides the perfect accompaniment to each of its dishes. It has a private room and an outdoor terrace for the summer season.

**BAR EBRIOSUS**

A meeting place in the hotel, where one may enjoy a coffee, an informal lunch or even an evening drink, inside or out on its terrace, with its unique views of the city. It stands out particularly for its furnishings and colour scheme.

**AFLUENTIS**

The Salón Afluentis has surprising luminosity and is decorated with a large mural, painted by the Aragonese artist Pepe Cerdá. Its versatility makes it possible for it to be the hotel's breakfast hall in the mornings and to become a restaurant in the evenings or a cocktail area.

De arriba a abajo: Restaurante Celebris. Bar Ebriosus. Afluentis.  
Top left: Restaurante Celebris; middle left: Bar Ebriosus; bottom left: Afluentis.

**Centro de Negocios**

Situado en un lateral del hotel, mantiene su personalidad y privacidad aún estando dentro del hotel. Cuenta con su propia recepción, atención personalizada y la última tecnología en medios audiovisuales. Sus cuatro salas destacan por ser completamente diáfnas y con ventanales que permiten el paso de la luz natural cuando se desee ya que cada sala tiene dos cortinas de diferente opacidad para crear el ambiente más adecuado. Su hall, así como el acceso directo a la terraza del Ebro, permite poder contar con espacios anexos para acompañar la reunión con un servicio de café o con un cocktail.

**Business Centre**

Located at one end of the hotel, it conserves its own personality and privacy, although it is still inside the hotel. It has its own reception, personal attention and the latest technology in audiovisual equipment. Its four rooms are all completely open-plan with large windows which let in natural light if desired, as each room has two curtains of different thicknesses to create the most appropriate atmosphere. Its hall and direct access to the north terrace, make it possible to have adjoining spaces to complement a meeting with a coffee or cocktail service.

**Salones para eventos**

Dos grandes salones con luz natural, Washingtonia y Canariensis, son la propuesta para la celebración de grandes eventos, conferencias o congresos. Rodeados de terrazas, su versatilidad les permite amoldarse a lo que se precise en cada momento.

Canariensis: salón de 835m<sup>2</sup>  
Washingtonia: salón panelable de 970m<sup>2</sup>, completamente divisible en 5 salones de 75 a 205m<sup>2</sup>

**Halls for events**

Two large halls with natural light, Washingtonia and Canariensis, are available for large events, conferences or conventions. Surrounded by terraces, their versatility enables them to adapt to whatever is needed to meet your requirements.

Canariensis: a hall of 8988 sq. ft.; Washingtonia: a partitionable hall of 10441 sq. ft., completely divisible into 5 rooms of 807 to 2207 sq. ft.

### Espacios al aire libre

La **Terraza del Ebro**, a lo largo de todo el hotel, ofrece unas vistas novedosas de los nuevos puentes de la ciudad y del río Ebro. Acoge la piscina exterior, abierta en los meses estivales, y una amplia zona de solarium. También en esta terraza puedes disfrutar del Bar Ebriosus a lo largo del año y en verano se convierte en la Terraza Cocktail Bar del Restaurante Celebris, pudiendo cenar en el exterior o bien tomar una copa disfrutando de su ambientación musical.

La **Terrazas de las Palmeras** es un espacio diferente, especial y único. Decorado con madera tropical y grandes palmeras es el lugar perfecto para un cocktail, una presentación o como antesala para cualquier evento que se celebre en los salones Canariensis o Washingtonia, a los cuales se accede desde la misma terraza.

De arriba a abajo: Terraza Celebris. Terraza sur con Palacio de Congresos al fondo. Terraza de las palmeras. From top to bottom: Terraza Celebris; South Terrace with the Conference Centre in the background; Terraza de las Palmeras.

### Open air spaces

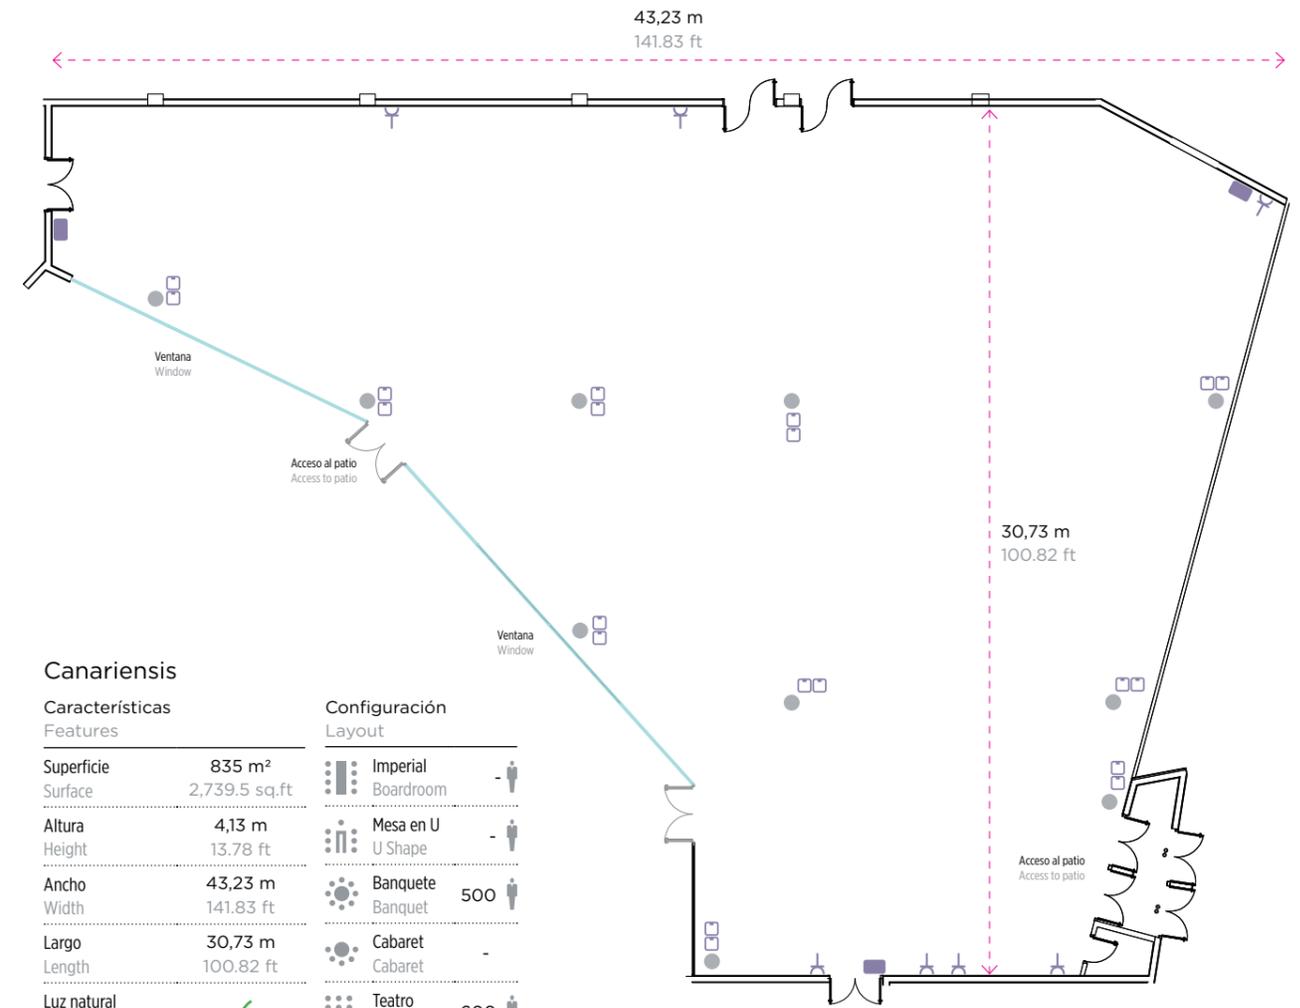

The **Terraza del Ebro**, a terrace which runs the whole length of the hotel, provides privileged views of the new bridges of the city and of the Ebro River. It has an outdoor swimming pool, which is open in the summer months, and a large area for sunbathing. One can also visit the Bar Ebriosus throughout the year, which in summer becomes the Terraza Cocktail Bar of the Restaurante Celebris, making it possible to

have dinner in the open air or have a drink and take in some incidental music.

The **Terraza de las Palmeras** is a special area, which is quite unique. Decorated with tropical wood and large palm trees, it is the perfect place for a cocktail, a presentation or an anteroom for any event which is to be celebrated in the Canariensis or Washingtonia halls, both of which can be accessed from the terrace.
